

Fire Rated Hanger

Designed for quick attachment to channel for the fast suspension of a variety of applications including HVAC, pipework and electrical containment where fire resistance is required.

Fire rated – supplied with stainless steel wire. BRE tested to DIN4102.

Simple – fast and easy installation using the washer or channel nut supplied to pre-install into Gripple Universal Bracket or channel reducing time spent working at height

Quick – integral adjustment button allows for rapid adjustment, no Setting Key required

Secure – locking screw prevents movement of services once positioned

Strong – industry approved

Safe – no tools or “Hot Works” permit required for installation, improving health and safety on-site
