

UniGrip - Phenolic Adaptor

With the UniGrip Phenolic Adaptor you can say no to cutting, no to sparks, no to waste, no to hot works permits, and no to heavy and bulky lengths of rod & channel. Developed and tested with the assistance of the UK's leading phenolic duct manufacturer, the UniGrip® Phenolic Adaptor is the fast, smart & flexible way to suspend pre insulated ductwork. The Phenolic Adaptor pushes directly into the ductwork using four precisely positioned teeth. Cover with a piece of aluminium tape to ensure an effective vapour seal..

- Ideal for Phenolic & PIR fabricated ductwork
- Fast, tool free insertion with less time at height
- Push-fit directly into the underside of the duct
- 15 kg per bracket @ 5:1 safety factor
