

Y-Fit

Ideal for balanced containment, lighting and pipework.

Simple – Single point suspension with double hanging points to enable one leg to be detached to allow access to cables, etc.

Versatile – variety of different end fixings including Snap Hook, Cable Tray Hook, Toggle and Karabiner for attachment to a wide range of services

Quick & easy installation – Accessory version is ideal for longer drops to easily reach to services for adjustment

Safe – no tools or “Hot Works” permit required for installation, improving health and safety on-site

Strong – industry approved
